

INTRODUCTION

Hi there!

Good to see you managed to get the download package of the **Machine Shop Starter Kit!**

If you haven't done yet, make sure to have a look at the showcase page and quick introduction of this Starter Kit.

👉 www.preciousplastic.com/starterkits/showcase/machine-shop

This package contains all the files you need to learn, plan and set up a Machine Shop. It goes hand in hand with the step-by-step guide how to "Set up an Machine Shop".

👉 tiny.cc/starterkit-machineshop

There we explain the whole process of getting started, how to use the files in this download package and include links to relevant videos and documents. So don't miss that!

Feel free to use whatever you need. Good luck!
